*Megan:* Organizing Five Days for the Homeless and I will continue to keep you informed.

*Nicole:* I've been working with Deseree on the Pick-a-Major event. We are going to need speakers for each major and I really need the help. It is on January 27<sup>th</sup> in the morning. Five minute speech to talk about yourself and the major, not a lot of detail involved. Accounting=Matt, Marketing = ?, Finance=Chris Menzies, Management=Jay, HR=Theresa, OM= ?.

*Max:* On behalf of social portfolio, White Party is on January 27<sup>th</sup>. Try and sell 750 tickets this year. If you guys have any ideas for decorations this year call Molly. First year social will be held on February 10<sup>th</sup>. We also want to add a new grad fundraiser this year organized by Nicole and Reagan. An event like this didn't happen last year.

*Disha:* We will be having another clothing sale this semester; details will be going out when I have everything organized.

*Jay:* I have the invoice for the clothing and I will give that to Lisa.

*Chris M:* Shorts would good to add to the order list of items.

*Jenna:* A new amendment in the bylaw: If 5 percent of Edwards' students sign a petition, Kelsey or I could be off of the USSU. This puts more power back into the hands of the students.

*Krystal:* RMBS will be held during February Break. We are sending two candidates from the Edwards School of Business.

*Jared:* JDC West this upcoming weekend. We are getting last details together this week.

*Matt L:* Continuing to work on Five Days. Any smaller businesses that want to get involved just let me know or tell them to contact me.

*Chris:* FSS is having a speaker and information night next Thursday. TD and MGI Securities will have speakers. Any finance and first and second years should attend. Will be going out in the newsletter and pumping it up.

*Justine:* Hockey trip was really good. Whoever is organizing next year might want to find a new hotel for next year's hockey trip. For White Party we were looking into having masks and dancers.

*Reagan:* I was away on study abroad in Europe for the last semester. I work with Nicole, and you all should look into doing study abroad.

*Steven:* Accounting designation night on the 24<sup>th</sup> at 5:30. Member from each designation comes in and describes the designation the day before networking event. Tell all accounting friends and 1<sup>st</sup> and 2<sup>nd</sup> years.

*Jay:* It has been a lazy last couple of weeks. My term is coming to an end in the next 2-3 weeks. Email me and I will send you a nomination form. We will be doing voting the last week of January. For those of you that were on council and want to move up, think about it. If you want to go for a coffee or have any questions for me let me know. Not what I thought it was going to be like when I started. Lots of perks to the job but also lots of work involved. Second semester is underway, white party is a big one for us. It will be held the weekend after Mock Wedding. Want to see it at a new level this year. Five Days is huge for us! Megan needs a committee underneath her. If you want to do a lot more then help her out with Five Days. Academics, we need a speaker night work on that right after JDC West. Hope you guys have had lots of fun and hope you guys want to stay on council. Good Job Justine with Hockey trip!
