**Adoption of the Minutes:** Jacey, Chris M.

**Reports:**

**Kayla:** Thanks for helping out with Change N' a Diaper. Not sure how much we made yet. Next charity thing is Chillin'. Make sure you get pledges. Trick or Eat hasn't got back to me yet but we think education may have beat us.

**Max:** Please if you are booking pubcrawls, be certain of your numbers. We are charged if we overbook busses. It is also easier for me when booking and dealing with the Sutherland Bar.

**Eric:** Chillin' for Charity posters were hung up today.

**James:** Matt Hamilton and I went to meeting. Looking for external sources that would be interested in being a part of the committee. If you're interested, we are looking for 4<sup>th</sup> year accounting students working with two other graduate students or older accounting students. Email me or let me know.

**Malerie:** SIFE is having a pubcrawl. They will only have enough people for one bus and that is all that is booked. "Mexican Movember" is the theme. We are donating all the money that we raise. Sutherland Bar, Outlaws, Tequila and then back to the Sutherland Bar.

**Julia:** Grad photo signup finished today. They must now call or email academy if they want to sign up.

**Spencer:** Everyone for Chillin' must be working on a costume.

**Jenna:** USSU annual general meeting Tuesday at 6. Bring your student ID.

**Adam:** Going to Niagara Falls this week. We are also working on setting up a speaker for next term.

**Steve:** Practice before if anyone wants to watch presentations.

**Matt:** Chilling is next Friday. If you have specific times you need to jump let me know because we are making schedule. Email me or Justine if any preferences or concerns.

**Krysal:** RMBS applications due Friday. Any friends or first and second years please let them know. It's a good conference. It's a free week in Jasper over reading week.

**Lisa:** Take all the change to the bank this week in a rolling suitcase. Get in Chillin' money. Cheques go to EBSS. We cash them and they will still get a tax receipt. Makes getting matched by Murray Edwards much easier.

**Jay:** Would like to say thank you to Krystal and Academic portfolio. Three Vice presidents from Federated Co-op were in attendance and were impressed with the presentations. Looking forward to Steve's team to bring home a cup. I sent an email out looking volunteers to help out with the flash mob Blackberry challenge. There will be a beach scene in Place Riel. Wear shorts and then 12:00 we create a beach scene. Lasts 3-5 minutes Jared comes in blows whistle and we all go separate ways and leave. I need 30-40 people to make it work. Free stuff I will give you. Get extra ballot in the draw. Start at 11:30-12:15. Meet in lounge and go to Place Riel. I hope everyone wants to do it, will be very fun. Start by me coming down stairs and have a chair and put the chair down and then put on sun screen. If you could throw a towel down and then lounge on a towel play v-ball and make different scenes.

**Britney:** Really good camera needed. Couple people needed to go around and film it.

**Jay:** Other schools are doing dances. This has a more unique spin to it. Email tonight let me know.

**Adjourn:** Kevin, Nicole
