Reports:

Max: Signup sheet to sell hockey trip tickets will be going around today . Slots are Monday to Thursday and everyone must sign up. Only 90 tickets available. The cost is \$200 bucks for transportation to Calgary, Calgary Flames game and party busses.

Krystal: RMBS applications are done. We plan on reviewing them this week. Select and register within the next week. We received eleven applications. People also ask me about locker issues they have had and said they come to office and want answers and are told to return tomorrow. BUAC won this past weekend.

Jay: For people that have locker issues, give them executive business cards and tell them to call, text email those people.

Adam: We need the cutters for lockers so if anyone knows the whereabouts please let me know.

Jay: I emailed Daphne and Brooke today and Daphne was super excited about our win at the BUAC. Nathan and Eric have the photo of the winners. That was a \$3000 conference that was definitely worth it.

Lisa: Donate link on EBSS website for Chillin. Anyone out of town can donate.

Disha: Paul from Olympics told me the clothing order should be here 2nd week in December. People will probably be asking so this is the most recent update I have received.

Kelsey: Annual general meeting was last Thursday. MSC's will be handled by USSU now.

Adam: Send people to me for locker and congrats to BUAC team.

Jared: Chillin' for charity this Friday. Hope everyone raises money. Set-up at 9am so if everyone could be there that would be awesome. Try and stay out there all day if you can. USSU is giving us some money so thank you.

Steven: Accounting Club was really impressed how far we travelled. Only other out of province team was Concordia.

Megan: Food permit is good for Friday. Tasha and I have questions for Jay we will talk to you after meeting.

Kayla: We won the candy cup. Grab candy on the way out. He apologized for a late delay. We got the most bags and it wasn't based on most per person. Chillin' this Friday.

Jay: Chillin' is this Friday so it is mandatory and no excuses. Everyone is expected to raise money. Bring all your money on Friday. Cheques payable to EBSS. We use charity to leverage a lot of things. Federated gave us lots of money because of our charity work. You can donate online so tell people they can donate. VP's make sure they have a costume and everyone must be there. Chillin' runs from 10am- 2pm. Only excuse is that you will be at grad ceremony. Work doesn't count as a legit excuse. Clubs same issue for applies to you. It's on 23rd and 3rd avenue.

Jared: After Chillin' we are having beer Olympics at the Sutherland Bar. Must have one girl minimum. \$10 to be involved and once out you have to pay for beer and all money goes to the CHFS. There will be 10 games going on at one time. Make teams with people outside of council.

Kayla: is there a place for people to change after.

Disha: What about if you have class during Chillin'?

Jay: Class is fine just be in there in between. Will be fun a night. Thanks everybody for helping me out with flashmob. Last week is last meeting until next semester. I will talk to JDC about Christmas party. The conference was a lot of fun. They are great bonuses and you learn a lot and develop your networks. When I graduate there are people I am glad that I am going to know. CABS, every student society is a part of it. They have a budget of \$30000. The president resigned about a month ago and the VP of CR is now the president. This weekend we have already given them \$3000 over the last few years. If by March they don't provide \$3000 of value we will remove our membership from them. More benefit sending students to conferences and now have a vote on an issue.
