Reports:

Max: There were not enough people that could make it to this meeting therefore the group picture was cancelled. There will be an email going out. Let me know if you will be able to make it for the group picture on the date that I see best fits for everyone. We also have a new first year rep: Colton Wieggers who will be joining council.

Brittany: Our first pub crawl will be in November and we will also be having a marketing info night

Britney: Formal was a complete success! Went really well and a big thanks to those who came to help set up.

Anna: Revenue from management consulting course for scholarship fund.

Theresa: HRSS academic night will be held the first weekend in November.

Justine: The busses are booked for hockey trip which will be held next semester.

Spencer: The Street team will be making classroom announcements. Anyone running an event make sure you let me know and it will be put in class announcements. There will be an email going out about that.

Mallory: SIFE Saskatchewan starts in room 45. Currently recruited we have 45 members. If you need help let me know.

Trista: Company Crawl is moved to next Friday because there was not enough time for businesses to respond to us. Adam is working on recruiting more companies that would be interested.

Krystal: Net impact delegates were selected and they are Gillian Tebbutt and Jordan Hall. Selection for BUAC. The conference will be held from November 18-20 in Niagara Falls. Once we have those names they will go out. There is also the Rocky Mountain Business Seminar which will be held in Jasper, AB. This conference is directed at 1st and 2nd years. It will be a very valuable experience.

Max: The academic portfolio must be sent to me once secured.

Kayla: Thanks to everyone who sold tickets at charity. No number yet but roughly \$1800 dollars was raised. The next charity event is Trick- or-Eat. Details will be going out soon. You start at 5:30 and go around to houses and ask for non perishable food items. Lots of people are supportive and give you candy as well. We will win the candy cup whoever has the most amount of food. Most of you should come out its only 2 hours and the sign-up sheet will be going around next week.

Disha: Clothing sale is going well. So far we have sold \$3200 worth of clothing. Thanks to volunteers. If interested make sure you come see me before the end of the week.

Matt: Retreat for JDC last weekend was fun. Put crawl next Saturday, tell your friends.

Adam: Encourage 1st and 2nd years to come out for company crawl. Keep your eyes open for conferences.

Steve: Accounting club small town pub crawl is planned for Saturday. The Sutherland bar won't take busses out of the city because of liability issues so we are currently looking for an alternative.

Chris: Tequilas is an option for busses for our small town pub crawl. If they can do it everyone should come and bring friends. We will be doing the hillbilly theme.

Jay: In last couple weeks we have been rushing events with issues between all areas. We know our events very early so marketing should be informed 2-3 weeks in advance before the event. Rushing events is not fair to Eric and the marketing team. Give them the time to do it effectively and properly. If you have questions or you need to get a hold of people let VPs know and they will contact people. Make sure you do that! We haven't had an event that has been unsuccessful but planning has to be in place and I am not here to hold your hand. We want you to have a successful event. It has been a pretty solid month and a half. Not too much to ask this week. Make sure you sign up for office hours and show up for your designated time. People

have been respectful so far. If you need things from me, tell me, I need to know directly to find the original point. If urgent let me know. If I get a CC: then I know you're doing your job. Nathan is trying to get stuff up for the website. Send him stuff because lots of pages are TBA. Wanted it up by August 31st and it is now the middle of October.

Nathan: Send me write-up of your portfolio or event and a link to your website so I can put it on our webpage.

Adjourn Meeting: Nathan, Toran
