Anna: Value Village pub crawl was great, 63 people attended.

Disha: Clothes on sale next week ,link going out tonight so sign up when you get it in your email. Time sheet is also up on the board in the EBSS room. Tuesday to next Tuesday we will be selling. The Naser centre will also be selling the clothing.

Jay: When email goes out I want it to be full with names. I will start to go through it and I want your name on it. We need participation from everyone for our events to be successful.

Trista: Working on company crawl which is on October 14th. Max, I will send you an email about the bus. Tell first and second years to sign up. Company crawl is where first and second years go around to businesses and it helps them decide on what major and different jobs are available.

Lisa: If you want a float or cheque, please let me know three days in advance minimum.

Cole: We are still working on competitions. There is a list on website. Nathan will get it near the end of week and the newsletter will be ready for Friday.

Krystal: Net impact applications are closed. We have thirteen applications in total. Delegates will be selected by Thursday to be announced at Formal. BAcc conference is looking for third and fourth year accounting students to apply for this competition coming up.

Adam: Lockers are 60-70% sold. Still on sale until we sell out completely.

Jay: We will be cutting off locks for people that are putting locks on random lockers.

Adam: RMB conference is coming up. We want to send first and second years as that is who the conference is directed at. The conference is held at Jasper Park Lodge and is supposed to be one of the best conferences to attend.

Kayla: I'll email Lisa about formal raffle float. Please keep looking for raffle prizes and let me know if they are going through or not. I need two more people to sell raffle tickets. One of these people from 6-7 and the other after the supper and speeches. (Lisa and Megan). Out of the guys, who would grow their facial hair for November? I'll see if it's worth it and then donate on line for charity.

Max: Wand Dine night is tomorrow. Ticket sales are not that great we have sold twenty tickets so far. We want to sell another dozen tomorrow it's at the Sheraton and it's a great time to learn basic etiquette skills

Brittany: Sheet to help set up on Thursday is going around. We need most of the help in the morning and expect to leave by 2 at the latest. More names are needed. We need people to check people in and seat them (Jacey Kathy Matt and Nicole).

Jay: Formal is sold out completely! Good job Julia and Britney. Will be a successful event.

Mike: Company crawl will be held on the 14th.

Matt Ledray: Congrats on guys for setting new record for corporate sponsorship!

Alison: Printed October posters for bathrooms.

Jay: JDC we need better stuff on website so far we just have what it is about. Chillin' for Charity must also be on there. Sponsorship, we need all the logos up on the website. Maybe a "sponsor us" button. Value card on scrolling banner on website to promote it would be great advertising. Formal is already a success! We need all the volunteers we can get. At Formal remember we are representing ourselves and the Edwards' School of Business. Yes it will be fun but don't be too intoxicated during the ceremony. If anyone is out of hand I will send you home and see if your position remains. Student tables will talk during speeches so tell kids to be quiet. Charity raffle prizes please get as much to Kayla as possible. We are double matched so raise lots of money. Clothing sales, Eric has brochure, stick with this batch where we order clothing then go from there. The second semester we will carry inventory so we can always sell throughout the whole year which will be lots of work. We will need a business plan generated for that so someone will have to help out Disha. Clothing for sponsors and title sponsors get jackets. Promote company crawl as much as you can. Video Devin made for the Blackberry thing. Once video is more live and more hits are received the more votes we get furthers us in the competition and we could win a blackberry. A week long Facebook page event will be set up to help us get as many hits as possible. We have \$1500 in gift certificates from the Sutherland Bar to give away. Congratulations to Adam Cole and Kelsely who got 2nd at Alberta Energy Challenge. Schools from the US and all over Canada attended the

conference. Big win for us and EBSS. It was the first funded academic challenge this year. Reimburse gas for the trip to the conference. Flights and delegate fees will now be paid for Net Impact. This will cost us approximately \$3000. We are successful so far and this will pick up as we get going. George Sombrosky has started a \$500,000 investing pool for finance. You can't be in comm 371 or 471 if you wish to join this committee. Email from Craig Wilson about students who want to sit on the Teaching and Student Learning Committee if interested send Adam or myself an email. Really easy and good to throw on your resume. No meeting Monday so enjoy your thanks giving. Chilin for Charity is an event for JDC. Raise money and it takes place on Nov 25th. It is mandatory that you book this off of work and show up. With all of us raising money we are looking at raising \$100,000. Club presidents, your clubs will be jumping as well. Moving it back down town and blocking a street off so business people will be jumping and radio air time and things.

Eric: Voting is currently live for first year reps. This year we have four candidates so go on paws and vote. Speeches take place Wednesday at one in the Reading room.

Jay: Motion to go In Camera

Adjourn: Chris Mearns, Megan Sweet.
