“RMBS brings together the best and brightest business students from across the country and internationally for 4 nights, 5 days at luxurious resort nestled in the wonderous Rocky Mountains. It provides students with the opportunity to network with each other as well as corporate sponsors to gain valuable, real life insight and knowledge into the business world.

“Each day contains a full day of speakers, seminars, interactive sessions, and just a touch of fun time in the evenings to interact and get to know each other. Delegates hear real life war-stories from corporate executives as well as gain helpful advice to help them succeed in the competitive world of business.

“This long-standing conference is sure to become the highlight of your business education for those who are fortunate enough to attend!”
